

Elka LVT Lay 1.5mm LVT Underlay is a high density foiled and layered fan-fold board, specifically designed for use with click system LVT flooring. It offers excellent noise reduction and insulation properties, whilst providing superior support for flexible LVT flooring, protecting 'click joint' systems. The tape and foil overlap which makes installation simple, providing a vapour tight membrane beneath the LVT floor.

Description	UoM	1.5mm LVT
Finish	-	Metalized Foil/Fan-Fold
Dimension	mm	1200x400
Thickness	mm	1.5
Thickness Tolerance	mm	0.5
Dimensional Tolerance	mm	2.5
Foam Density	kg/m ³	85
Thermal Conductivity	W/(m.K)	0.008
Compression Strength	kPa	367
Water Absorption	vol. %	<0.1
Impact Sound Reduction	dB	19
Fire Protection Classification	Euro class	E
Board Colour	-	Jade
Pack Size/no. Folds per Pack	-	20 boards
Thermal Resistance	m ² K/w	0.057
Tog Rating	Tog	0.6
Pack Coverage	m ²	9.6
