

## TRUFFLE OAK 14MM SANDED KNOTS

real wood engineered flooring

Species:	European Oak		
Finish:	Oiled, Smoked, Brushed, Sanded Knots		
Size:	190 x 1820 x 14mm / 3mm wear layer		

## Colour and grain

This product is a fumed product (ammonia treatment). The reaction on the wood which gives the darker colour is dependent on the tannin content of the wood *(the more tannin the darker the result)* The tannin content depends on the origin of the Oak but even trees from the same forest have a different tannin content.

So a fumed product always gives you more colour variation than a stain but the tone is far warmer, highlights character and helps bring nature in to your home. Flooring must be mixed well to achieve a balanced look.

## Character

This product contains D + grade with large repaired sunken and small unrepaired splits to add character to the product

## Variations within

Open, with longer rays than red oak. Occasional crotches, swirls and burls. Plain sawn boards have a plumed or flared grain appearance.

Specification					
Board Dimensions: 190 x 14mm x 1820mm (3mm wear layer)					
Grade:	Rustic 'B/C/D +' (Sunken / Sanded Knots & Cracks)				
Oak origin:	Europe				
Profile:	Uniclic				
Bevel:	G4 1.2mm 'long & short edge'				
Pack Size:	2.0748 M2				
Planks per pack:	6 Layers, up to 30% starter boards (600mm +)				
Construction:	Oak Wear Layer, Block Core				
Oil (UV Cure):	2 Coats				
Adhesive:	E1				
Bathroom:	Must never install in this area				
Conservatory	Yes				
Guarantee:	25 Years Structural - 1 Year Surface Treatment				
Under floor heating:	Yes if installed as a floating floor over underlay incorporating DPM and a maximum contact temperature of 27°C (back of the board and sub floor)				
Sheen:	6 % +/-				
Maintenance:	Elka Oil maintenance kit				
Installation:	Float over underlay, full stick with Elka flex adhesive
