Colour and grain

Colour:
Flooring is stained Antique which evens the colour whilst enhancing the grain and texture.

Grain:
Open, with longer rays than red oak. Occasional crotches, swirls and burls. Plain sawn boards have a plumed or flared grain appearance.

Boards are hand distressed with light scraping to age the flooring's surface

Variations within species and grades:
Considerable variation among boards in colour and grain texture.

PREFINISHED	All Species	RUSTIC	A – Grade -	B – Grade 30%	C – Grade 30%	D – Grade 40%	For full grading breakdown visit www.elkaflooring.com
